Amboy Friends Cemetery

Amboy Friends Meeting began as a Monthly Meeting in Indiana Yearly Meeting on Dec. 1, 1853. The log-hewed church was erected in 1850 on the cemetery site. The first Friends worship service in Miami County was held in 1844 by Eli Overman and twin brothers, Wm. and Noah Thomas. They held mid-week meeting on a log in the forest while building a home for Noah. School was also taught in the building from 1850 to 1872. The next church was built across the road (now IN 19).

Madison County Area Obituary Database

This index is the product of a cooperative effort on the part of many people over several years. Three men--Ray Davis, Charles Bridges and Mike Pitts--did the actual newspaper scanning and compiled the original indexes, half of which were done manually and half of which were done in machine readable form. A corps of volunteers headed by Keith Burris and Margaret Karr completed the massive data entry project.

Here you will find a listing of the obituaries which appeared in the ANDERSON DAILY BULLETIN from 1921 to 1967. The date which is given is the date the obituary appeared in the newspaper and not necessarily the date of death.

To use this index, enter the name you are searching and click on Submit Query. The system will provide you with a list of matches. There will be occasional duplicates when an obituary was published more than once.

If you are having trouble finding the name you are seeking, try these hints:

--A married woman might be listed as Mrs. John Smith instead of Mary Smith if that was the text used by the newspaper. Try searching Mrs. Smith as well.

--Titles like Dr., Rev., Sgt., etc., will sometimes be part of a name listing. If you know your subject was a doctor, trying searching for him as Dr. Smith.

--A baby's obituary may be listed as Infant Smith rather than Billy Smith. Try both.

If you find a name you wish to pursue further, please email the Indiana Room staff or the Local History and Genealogy staff. We have microfilmed copies of the newspaper and we will be glad to provide you with copies of the obituaries you need.

If you have questions concerning this database, please email the Indiana Room staff.

Moss Cemetery is a public cemetery located just northwest of the corner of West 8th Street Road and Park Road in Anderson on land once owned by John Moss in the southeast quarter of Section 9 in Township 19 North, Range 7 East.

Although the grounds are well kept at the present, many gravestones have deteriorated and broken over the years. Some are unreadable. There have been no burials there in recent years.

John Moss and his wife, Ann, are buried in Moss Cemetery along with many other members of the Moss family. Children of John and Ann Moss were William Jefferson who married Elizabeth Gordon, Eliza who married John Johnston, James who married Nancy Johnston, Polly who married Zarababel Rogers, Isaac who married Martha Weir, America who married Lewis Bowers, Elizabeth who married John Morris, Catherine who married Elias Brown, Luarky who married Volney Davis, and Montezuma who married Eliza A. Davis.

The largest tombstone in the graveyard is that of William Jefferson and Elizabeth Gordon Moss. Their children were Frederick, John L., Jennie, Sanford R., and Samuel R. Moss and Margaret (Mrs. Robert) Wysong, and Isabella (Mrs. Frank M.) Wertz.

All known burials follow in alphabetical order by surname. The information was collected in 1977, coming from several sources which are listed on the last page along with sources from which the preceding was taken. If a gravestone was not found for an individual, the source from which the information was taken is given.
